### Foreign Missions

#### Students in Malaysia

Believing students at a university have taken advantage of spare time in the evenings to take part in small group Bible studies during the summer. Three groups are meeting weekly, studying Esther. The non-threatening environment has been ideal for some to try their hand at facilitating a study. So far, six have led a study for the first time in their lives! Please pray that these students will continue to take steps of faith, discover their giftedness, and make disciples (2 Timothy 2:2).

#### Home Missions/North American Mission Board

Adrian Lauran — Portland, Ore.

Adrian Lauran planted Word of Life PDX  
in Portland, Ore.

Please pray for my family as we will probably have to evacuate our house because of fires in the Pacific Northwest, especially the fires in the Clackamas, Ore., area. Also, please pray for our church this new season as we start a new series of online messages about discipleship. Pray for courage, creativity and relevance as we endeavor to reach the next generations of Romanian-Americans with the gospel.
